# StoryFinder

Every brand has a story. Do you have too many?

- What is getting in the way?
- Through journalistic curiosity and reduction of noise, I guide brands, talent and artists using my StoryFinder Method.
- What is your *One Thing* that gets lost in the noise?

monthly retainer options available  
for this exclusive feature

# Talent Coaching

Building Confidence and Clarity

- Great talent is encouraged, nurtured and developed.
- You deserve coaching that equips artists, talents, leaders, and teams to thrive in today's fragmented media landscape.
- On-air interviews, IG Reels, public speaking or meeting management, I help you improve your story with confidence and clarity.

*a la carte and team coaching options  
available for this exclusive feature*

# Fractional Management

Strategic Leadership in a Noisy World

- If you're struggling to find the right fit, or your budget doesn't support a full-time managerial roll, we fill the gap.
- Leadership in all market sizes, both commercial and non-profit, has given me the insight to understand your challenges.
- Goals are met faster because I'm a contracted manager with one mission: *eliminate the noise and solve your problems.*

on-site and remote management options
